

**Peter Korotash – President CANNUA (2009 – 2011)**

Peter has been with the University of Northern British Columbia for over 16 Years now and supports a campus that consists of a main site in Prince George BC and 5 Regional sites within BC. This being a great opportunity to build an telephony infrastructure from the ground up. The voice platforms are Nortel solutions that have been in place for 15 years now.

Peter has also been a CANNUA Member for the past 14 years. During the last year he was in an acting Vice President position within the CANNUA organization and worked closely with the President to help direct the CANNUA team through some difficult issues and times. Peter has stepped up when asked and always is there for members of CANNUA and even outside of Canada.

Peter has also taken on the added responsibility of being the President for the BC chapter for the last 5 years. This has given him insight into both the chapter level as well as the CANNUA level of the INNUA organization.
